

### NUTRITIONAL GUIDE

Accommodating our guests, especially those with food allergies or nutritional concerns, is our top priority. Our allergen and nutritional information is as up to date as possible, based on the information provided by our supplier partners. However, because our menu items are hand-crafted, food may come into contact with allergens during the preparation and cooking process. As always, if you have any food allergy, please alert your server and a member of our management team. Please visit <https://fordsgarageusa.com/our-story/#contactus> if you have any questions regarding this information. Updated October 2024.
